Enterprise Procurement SOP & Approval Thresholds

This document defines the automated vs human-in-the-loop purchasing thresholds for Enterprise AI Digital Assistant.

Amount Range (RMB)	Approval Node	Action Type
Amount <= 5,000	Auto-Approve	Agent invokes create_purchase() directly
5,000 < Amount <= 50,000	Department Manager	Triggers Interrupt for Human-in-the-loop
Amount > 50,000	Manager + VP + CFO	Multi-signature approval with 3 vendor quotes
